

dyson digital slim

Twice the suction of any other lightweight cordless vacuum cleaner in use.

Dual power mode

15 minutes

High constant suction.
(13 mins with motorised tools attached).

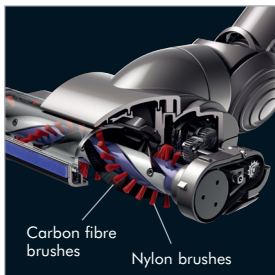

6 minutes

MAX power for more difficult tasks.

Powered by Dyson digital motor

Up to 3x faster than conventional motors. Creates the most power-efficient cordless vacuum cleaner.

Motorised floor tool with carbon fibre brushes

Ultra-fine anti-static carbon fibre brushes clean hard floors. Rotating nylon brushes remove more dirt from carpets.

Lithium-ion battery

Recharges up to 3x faster than others.

Mini motorised brush bar

Removes more pet hair and dirt from carpets and upholstery in the home and car.
(DC35 Animal only)

Up top, down below and in-between

Includes tools and wand for cleaning every floor type and awkward spaces.

Radix Cyclone™ technology

Patented Dyson technology that doesn't lose suction as you vacuum.

Hygienic one-touch bin emptying

Just push the button, no need to touch the dirt.

Detachable long-reach wand

Reaches up high, down low and into awkward gaps.

Combination accessory tool

Nozzle converts to a brush tool for dusting.

Crevice tool

For cleaning in tight gaps and narrow spaces.

Pivots for easier steering

Cleaner head pivots 180° without losing contact with the floor. No more awkward moves.

Docking station

Recharges and stores the machine and attachments when not in use.

Remote charging

Battery can be recharged away from the machine and the docking station.

Powered by an ENERGY STAR qualified battery charger for a better environment

dyson

The cleaner that doesn't lose suction.
