

dyson root 6

Powerful motorized brushbar for pet hair pick up.

DC16 Animal handheld vacuum is designed for pet hair pick up. With a specially engineered motorized brushbar and twice the suction power, the latest Dyson Root 6 is an ideal tool for animal lovers frustrated with stubborn pet hair.

As with all Dyson vacuums, DC16 Animal doesn't lose suction, as proven by tests based on the internationally recognized IEC 60312 CI 2.9 test standards. With patented Root Cyclone™ technology, DC16 Animal separates dirt, fine dust and debris from the air to handle quick clean-up jobs.

Manufacturers suggested retail price for DC16 Animal is \$199.99. For more information and to locate a Dyson retailer, visit www.dyson.com.

Dyson Root 6:

- Powerful motorized brushbar for pet hair pick up.
- Patented Root Cyclone™ Technology with twice the suction power of other handhelds.
- Lithium Ion battery technology enables it to recharge up to three times faster than others.
- Hygienic and quick to empty. Just push the button to release the dirt.
- Specially designed combination brush for large debris and a crevice tool for hard-to-reach spaces.
- No extra costs - lifetime washable filters and no bags to buy.
- Ergonomically correct design and tough, durable construction.
- Two-year warranty for parts and labor, guaranteed by Dyson
